

There are an estimated

7,000 orphans across the world with  
**Down syndrome**

That's why I fundraise for

Your donation  
helps Logan  
find his own  
family.

*Logan*  
our 31<sup>st</sup> orphan

**Donate today!**

When I learned there are over 7,000 children with Down syndrome abandoned to orphanages across the world, I couldn't stay silent. I fundraise adoption grants that help these children find a family and get through the expensive adoption process. Right now, I'm raising money specifically for Logan.

Giving even a little helps Logan come closer to finding his own family. Please help by donating at [Insert athlete page].
